**Just how affordable
are the wines at TCC?**

At TCC, we strive to bring you an eclectic mix of wines that you don't find everywhere to give you an alternative to the grocery store inventory. We try to keep the price points friendly, too! The majority of our inventory is between \$9 and \$15. Looking to stock your cellar? Check out our **Cellar Selections Page** on our website for outstanding quality wines that are not available in-store.

I spy YOU at one of TCC's events!

Each month, TCC will feature a picture of one of our events. If you find yourself in one of our pictures and come in to tell us about it, we'll buy you a glass of wine or beer to enjoy in our café.
